Handout 3: Shade the reach

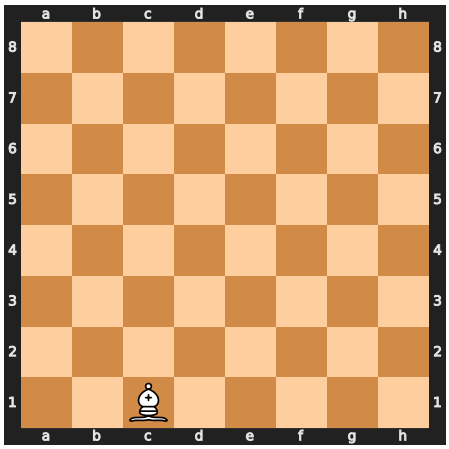

REMUS

Shade the reach. Day 3, period 2. Team name: _____

The board is empty except for the one piece shown. Shade every square the piece can move to, then write the count under the board.

Piece	Squares it reaches
Knight on d4	
Knight on a1	
Bishop on c1	

Why does the knight on a1 reach so few squares?

_____

Put a Black pawn on e3. Which of the bishop's squares disappear, and which one becomes a capture?
